

From 15 to 19 May 2019, the Euromeeting will be organized in the south-west of the Netherlands on the North Sea coast. We stay at Hotel Duinzicht in Ouddorp. You walk straight from the Hotel onto the beach.

We are going to make beautiful tours in the province of Zeeland where we visit the museum of the flood disaster (In 1955 a large part of Zeeland was flooded by a major storm) After the disaster many storm surge barriers were built.

Of course visit beautiful old towns, the mills and sail through the world port city of Rotterdam which we also visit.
