

Studebaker Packard Club Nederland

Dear Studebaker enthusiasts,

We cordially invite you to this year's European Studebaker-Packard Meet, which will be held in Ouddorp/NL from 15 to 19 May 2019.

Our hotel is Hotel Duinzicht, located at a ten-minute walk from the beach, on the island of Goeree-Overflakkee. Evening meals will be served at the highly acclaimed restaurant of the hotel.

Ouddorp will be the starting point of a number of interesting excursions. On Thursday our destination will be Neeltje Jans, part of the Delta works, and on Friday we will visit the port of Rotterdam, for a boat trip and the SS Rotterdam. Saturday takes us to various places, such as the imposing Zeelandbrug and the historic town of Middelburg. There will be regular coffee stops and lunch breaks, and plenty of time to admire one another's cars, get acquainted, and have a drink. Members without their own cars are invited to hitch a ride in one of the classic cars that participate in the tour.

The programme includes accommodation, breakfast, lunch, dinner, and all excursions for the whole duration of the tour. Drinks from the bar need to be paid separately.

The price of the package is €695 (double room) and €915 (single room) per person. Last registration date is 17 March 2019 (see the attached from).

We look forward to seeing you again, with or without your classic car, and together spend a few wonderful days in Ouddorp/NL.

Kees Jongenburger
Secretary of the Studebaker Packard Club Nederland
